

POSTAGE**ACE**

Dependable. Consistent.

T-1000 Digital Postage System

**THE USPS®-APPROVED DIGITAL MAILING SYSTEM FROM FP.
THE BEST VALUE IN THE INDUSTRY.**

Simplify your office mailings while saving valuable time and money with the FP **T-1000** Digital Postage Meter System. With processing of up to 25 pieces per minute and combining superior electronics and thermal printing, the economical **T-1000** sets a high standard with its robust features and ease of use. With optional scales of up to 150 lbs., the **T-1000** can provide USPS® rates for packages of all sizes. Certain optional scales also allow you to compare USPS® rates with UPS and FedEx to ensure the best possible rate. Other optional scale features include international postage rates and differential weighing. Semi-automatic feeding allows increased productivity. Perfect for smaller office applications, this German-engineered machine remains USPS®-approved with no decertification date in sight.

MAILINGSOLUTIONS
AN FP GROUP COMPANY

T-1000 Digital Postage System

KEY ADVANTAGES

AUTOMATIC DATE SETTING

Eliminates the daily chore of updating the meter date. The **T-1000** automatically does it for you.

SEMI-AUTOMATIC FEEDING

This convenient feature allows you to maximize your time and increase your productivity.

THERMAL TRANSFER PRINTING

No more smearing or messy ink rub-off using the **T-1000**. Thermal transfer printing ensures that last image will be as crisp and clear as the first. Get up to 1,600 consistent images per cassette on any type of media.

CUSTOM MESSAGES

With the push of just one button, every letter you send can include your company name, product name, or promotional message using the advanced digital memory feature. Stores up to six advertisements.

DEPARTMENTAL ACCOUNTING

Monitor your postage expenses in nine individual areas of your business with this function.

QUICK AND EASY POSTAGE RELOAD WITH [teleset™](#) [teleset™](#), the postage resetting system developed by FP, utilizes direct communication from the meter to our secure processing center. The entire postage reloading process runs automatically.

SPECIAL FEATURES

- 100% USPS® Compliant
- Fully Digital
- Modem-Based Postage Resetting with FP [teleset™](#)
- Digital Scale Interface
- 9 Departmental Accounts
- Memory for 6 Custom Messages
